Hey, Erin. Thanks for sending out the SFIREG agenda.

I saw this on today's agenda:

AAPCO 25b Guidance Documents An overview of the Data Efficacy

Guidance and Label Guidance for minimum risk pesticides will be provided including the impetus for development of the guidance, process, and critical guidance components [Erica Millette and Sarah Caffery, Cochairs, FIFRA 25(b) Work Group]

Do you know anything about it?
